

Sustainability at the Lutherhaus Eisenach: Actions and Goals (Excerpt)

As of March 2022

Sustainability is an important issue to the Stiftung Lutherhaus Eisenach. The overview below provides examples of action taken. Every step toward improving sustainability is reviewed and refined on a regular basis.

Category	Actions taken
<i>Environmental goals</i>	
- <i>Purchasing:</i>	Purchasing of products from regional vendors
- <i>Resource efficiency</i>	Switch to ecological cleansers and detergents
	Energy-saving HVAC/ventilation system
	Use of recycled paper in offices
	Use of recycled toilet paper and towels
	Printing of printed products (catalogues, brochures, flyers) on FSC certified paper with a net-zero carbon footprint
	Sustainable exhibition construction
	Installation of water-saving faucets
	Switch to green power
	Use of energy-saving LED lamps/use of motion detectors to reduce power consumption
	Energy-saving heating system/improved insulation to conserve heating energy

	Systematic waste sorting
	Reuse of packaging material and paper
	No plastic use (packaging, bags, dishware, consumables, etc.)
	Reduction of paper consumption by continuously digitalizing
<i>Economic goals</i>	Quality assurance and customer satisfaction through regular evaluations and customer dialogue
	Recommendation management/information on cultural and tourism partners in the region
	Production of proprietary products with partners in the region
	Attendance of training programs on sustainability and accessibility
	Communication of sustainable programs on all the Lutherhaus Eisenach's channels
<i>Social goals</i>	Sale of products from manufacturers that actively support social engagement of people with impairments and disabilities
	Certified wheelchair accessibility (Reisen für alle)/continuous improvement of accessibility
	Collaboration with/workshops in schools
	Collaboration with the Volkshochschule Eisenach's integration courses
	Inexpensive or free admission for select groups (e.g., preschools, large families)
	Flat hierarchies, friendly work environment, regular team meetings
	Regular staff training/opportunity to take advantage of the Evangelical Church in Central Germany's continuous education programs
